The screenshot shows the würk HR system interface. At the top, there is a navigation bar with the würk logo, the time 05:22 PM (MDT), and the text 'My HR'. A search bar is visible on the right. Below the navigation bar, the breadcrumb 'My HR > HR Actions' is shown. The main heading is '← HR Actions'. There are three tabs: 'AVAILABLE' (selected), 'OPEN', and 'SUBMITTED'. A search bar for 'Search Actions' is on the right. The main content area contains three numbered steps: 1. Enter Today's Date in the Effective From Field; 2. Add in any and all direct deposit accounts; 3. Once all accounts have been added click Submit at the bottom right. Below the steps, there is a note: 'If you do not complete, you will receive a paper check' and 'If you enter account information incorrectly, there may be a delay in receiving funds'. A 'PLEASE NOTE' section follows, stating: 'PLEASE NOTE: If you are end dating an existing direct deposit and adding a new direct deposit, it is recommended that you put the end date of your current direct deposit as your next pay date and start the new direct deposit the day after your next pay date. This will help prevent any live checks between direct deposit changes.' A blue 'Start' icon is on the right. At the bottom, there is a section for 'Personal Information Verification/Update' with the instruction 'Please verify/update the fields below.' and another blue 'Start' icon on the right.

2. A form presents where you can submit your new personal info, with blue tabs along the left for each section of the form. Update the information in the form as needed, using **SAVE** and **SUBMIT** to advance through the tabs in the form. Anything you do not change will remain the same.
